Post-Graduation Survey - Class of 2023

Introduction

Each year, the office of Career Services conducts a survey to determine the professional activities of the graduating class. Seniors were encouraged to complete an online survey prior to graduation. Additional information was collected throughout the following year. The Career Services staff contacted alumni through emails, phone calls, and different forms of social media. Of the 458 graduates in the Class of 2023, Career Services was able to obtain information on 425, representing a 92.79% knowledge rate. This class included **4 Fulbright** recipients and **1 Watson Fellow**.
